CAPITOL PEAK REPEATER GROUP

Repeater Annual Meeting

Please plan to attend the Capitol Peak Repeater **Annual Meeting** on **Saturday February 4, 2012**. This is the only meeting we have during the year. Get the latest reports and updates to the repeater. I think you will find it interesting and you can meet the people you talk to on the system. The meeting will take place at the **South Bay Fire Department at 1 :00 pm. (3506 Shincke Rd NE, Olympia, WA 98506)**

There has been some work done on the repeater systems last year. There are also some projects scheduled for 2012. Please join us and find out what has been done, what will be done. what needs to be done and what you would like to see done.

The Capitol Peak Repeater Group has been granted Federal Tax Exempt status by the IRS under Section 501(c)(3) of the Internal Revenue Code. All donations of cash or property can be treated as a charitable contribution on a Federal Income Tax Return.

The Repeater Group will again have two tables at the Mike and Key Swap Meet. This will take place in March 2012 at the Puyallup Fairgrounds. We are asking for your donations of good used ham and electronic equipment for this event. This is the only fund raiser that we have during the year and it is very important for the repeater maintenance fund. Please clean out your ham shack and see if there is something you might be willing to donate to this worthy cause. If you have a donation, contact K7CAH. or WC2T or bring it to the annual meeting. Thank-you.

See you at the Annual Meeting Rick K7CAH
